

NEWS RELEASE

Eurokars EV Opens New MG | IM Motors Aftersales Service Centre, Tripling Service Capacity to Support Singapore Growth

Singapore, 11 August 2026 – Eurokars EV Pte. Ltd. ("Eurokars EV"), a subsidiary of Eurokars Group and the official distributor of MG and IM Motors in Singapore, today officially opened its new MG | IM Motors Aftersales Service Centre at 27A Tanjong Penjuru, Singapore 609042, marking a significant investment in aftersales infrastructure to support the rapidly growing population of MG and IM Motors vehicles on Singapore roads.

Purpose built to support the continued growth of both brands, the new MG | IM Motors Aftersales Service Centre increases servicing capacity by three times, enabling shorter waiting times, faster turnaround and a more seamless ownership experience through greater operational efficiency. The expanded facility reinforces Eurokars EV's long term commitment to delivering comprehensive aftersales support as electric vehicle adoption continues to accelerate in Singapore.

"As the Eurokars Group continues to expand our automotive portfolio in Singapore, investing in infrastructure is essential to supporting the long-term growth of every brand within our ecosystem. This new facility reflects our commitment to building scalable operations that improve efficiency, strengthen customer support and create a solid foundation for future growth. Singapore remains our home and headquarters, and we will continue investing in capabilities that support the next phase of our growth. We also look forward to sharing more about our upcoming investments in due course."

Ms Charmain Kwee, Group Executive Director, Eurokars Group

Built to Support a Growing MG and IM Motors Community

Designed around the needs of owners, the new MG | IM Motors Aftersales Service Centre delivers greater convenience, increased servicing capacity and an enhanced ownership experience through upgraded facilities, expanded workshop capabilities and customer focused amenities.

Key enhancements include:

- Three times the previous servicing capacity
- Dedicated EV servicing bays with specialised diagnostic equipment
- Additional vehicle intake and delivery bays
- One-Hour Quick Service for selected servicing packages
- An upgraded customer lounge with dedicated workstations and enhanced amenities
- Increased servicing appointment availability and faster turnaround times

Further details of the new MG | IM Motors Aftersales Service Centre are available in the accompanying Media Factsheet.

MG | IM Owners Open House at the New Aftersales Service Centre

Saturday, 22 August 2026 | 10:00am to 4:00pm

To celebrate the opening of the new MG | IM Motors Aftersales Service Centre, MG | IM Motors Singapore will host an MG and IM Owners Open House, inviting owners and their families to explore the new facility and experience its expanded aftersales capabilities firsthand.

Visitors can look forward to guided tours of the Aftersales Service Centre, exclusive owner promotions, family friendly activities, refreshments and interactive experiences designed to showcase the expertise, technology and people supporting every MG and IM Motors vehicle.

The Open House reflects MG and IM Motors Singapore's ongoing commitment to engaging its owner community while continually enhancing the ownership experience beyond the point of purchase.

Exclusive Display Vehicle Sale

To commemorate the opening of the new MG | IM Motors Aftersales Service Centre, MG and IM Motors Singapore will also offer a limited selection of MG and IM Motors display vehicles at exclusive event prices during the Open House.

These exclusive offers will only be available on site on 22 August 2026, from 10:00am to 4:00pm, while stocks last. Existing owners and members of the public are welcome to visit the new MG | IM Motors Aftersales Service Centre to view the vehicles and make bookings.

MG offers a range of electric and fuel-efficient models designed to meet the needs of contemporary drivers. With a focus on quality, safety, and sustainability, MG is shaping the future of mobility across the globe while staying true to its legacy of delivering accessible and exciting vehicles.

About IM Motors

IM Motors is a next-generation intelligent electric vehicle brand founded through the partnership of SAIC Motor, Alibaba Group, and Zhangjiang Hi-Tech. Since its founding in December 2020, IM Motors has combined advanced automotive engineering with digital technology to redefine mobility for a connected, sustainable future.

With a focus on intelligent mobility, IM Motors integrates software-defined vehicle architecture, digital chassis systems, and AI-powered driving assistance to deliver cars that are not just performance-driven but also digitally adaptive.

IM Motors is also leading autonomous driving innovation in Shanghai with piloted L3 autonomous driving road tests on highways and expressways. IM Motors launched an L4 Robotaxi route between the Shanghai International Tourism Resort and Pudong International Airport in partnership with SAIC Mobility and SAIC AI LAB and has deployed data-collection vehicles to build large-scenario training datasets supporting high-level autonomous driving in September 2025.

IM Motors has also secured **RMB 9.4 billion** (about **USD \$1.3 billion**) in its Series B round of financing.

About Eurokars Group

Eurokars Group is synonymous with premium automotive brands in Singapore and houses a diverse variety of luxury marques with its own unique branding and positioning, maintaining a unified purpose of delivering exceptional automotive experiences. With more than 40 years of market representation, and industry accolades from Enterprise 50 and Superbrands, Eurokars Group is a well-established automotive industry titan, having grown over the years from a niche sports car retailer to a multi-franchise automotive dealership group.

Eurokars Group was founded by respected entrepreneur, Mr. Karsono Kwee, who as Executive Chairman of the Group, is driven by a genuine passion for motorcars and has transformed the business into a well-diversified and leading customer-oriented dealer of premium automobile brands in the region.
