**THE ALL-NEW
MG4 URBAN EV**

2744mm wheelbase

EXPANDED SPACE. CLASS-LEADING PRACTICALITY.

Discover the all-new MG4 Urban hatchback, thoughtfully designed to offer an incredibly spacious and versatile experience for your daily life. Proudly standing as the largest electric hatchback in its class, this EV beautifully balances your comfort with real everyday utility.

- Class-leading cabin space that offers more room for the family, pets, and your busy lifestyle.*
- An expansive 480 litres boot, expandable to an amazing 1,364 litres of flexible cargo space with the rear seats folded down.
- The 2744mm wheelbase provides generous legroom and a wonderfully airy atmosphere for every passenger.
- Flat boot designed specifically to provide easy access for all storage requirements.

480 litres boot space

*Published based on available information.

DEPENDABLE PERFORMANCE. EFFICIENT CONSUMPTION.

Experience a wonderfully smooth and responsive performance that brings absolute confidence to your everyday urban commutes.

- Take on everyday journeys with a generous pure electric range of up to 586km*, powered by a 54kWh MG proprietary battery.
- Experience the benefits of going electric with an exceptional power consumption rate of just 15.5kWh/100km.*
- Fast DC charging capabilities that powers up your battery from 10% to 80% in only 30 minutes.
- Enjoy smooth acceleration with 99kW of power, with a snappy 0-100km/h time of 9.6 seconds.

* WLTP City

INTUITIVE TECHNOLOGY. SEAMLESS CONNECTIVITY.

Step into a wonderfully modern cabin equipped with feature-packed smart technology designed entirely around your daily routines. The MG4 Urban EV keeps your family happily entertained and seamlessly connected on every single trip.

- Wireless Apple CarPlay™ and Android Auto™ integration alongside an in-built wireless smartphone charger.
- The intuitive iSmart application allows you to easily manage charging, pre-cool on top of other nifty features.
- The in-built 4G connection and MG Smart Voice Assistance ensures your journey is always supported on the go.
- The 12.8-inch centre touchscreen perfectly complements the expansive 7-inch digital driver information display for a truly interactive experience.
- True to MG's safety-first design ethos, handy control buttons let you effortlessly manage your air-conditioning, volume, and cabin temperature.
- 30 storage points throughout the interior for effortless organisation of all your items.

12.8" large
infotainment touchscreen

In-built wireless charger

17-inch alloy aerodynamic rims

Panoramic glass roof

DESIGNED FOR YOUR UTMOST COMFORT.

Marrying our British centennial design heritage with highly practical engineering, the MG4 Urban EV perfectly optimises your everyday driving experience while ensuring that comfort is within reach for everyone on board.

- Elegant and aerodynamic 17-inch alloy rims are thoughtfully crafted to provide a wonderfully smooth and comfortable ride across the bustling city.
- Six-way electric driver seat and four-way electric passenger seat adjustment ensure ultimate comfort for all your journeys.
- Featuring front seat ventilation, alongside rear air-conditioning vents to help keep everyone cool in our tropical climate.
- Power tailgate provides hands-free effortless storage.
- The panoramic glass roof invites natural light into the cabin to create an airy atmosphere along with a nifty built-in sunshade.

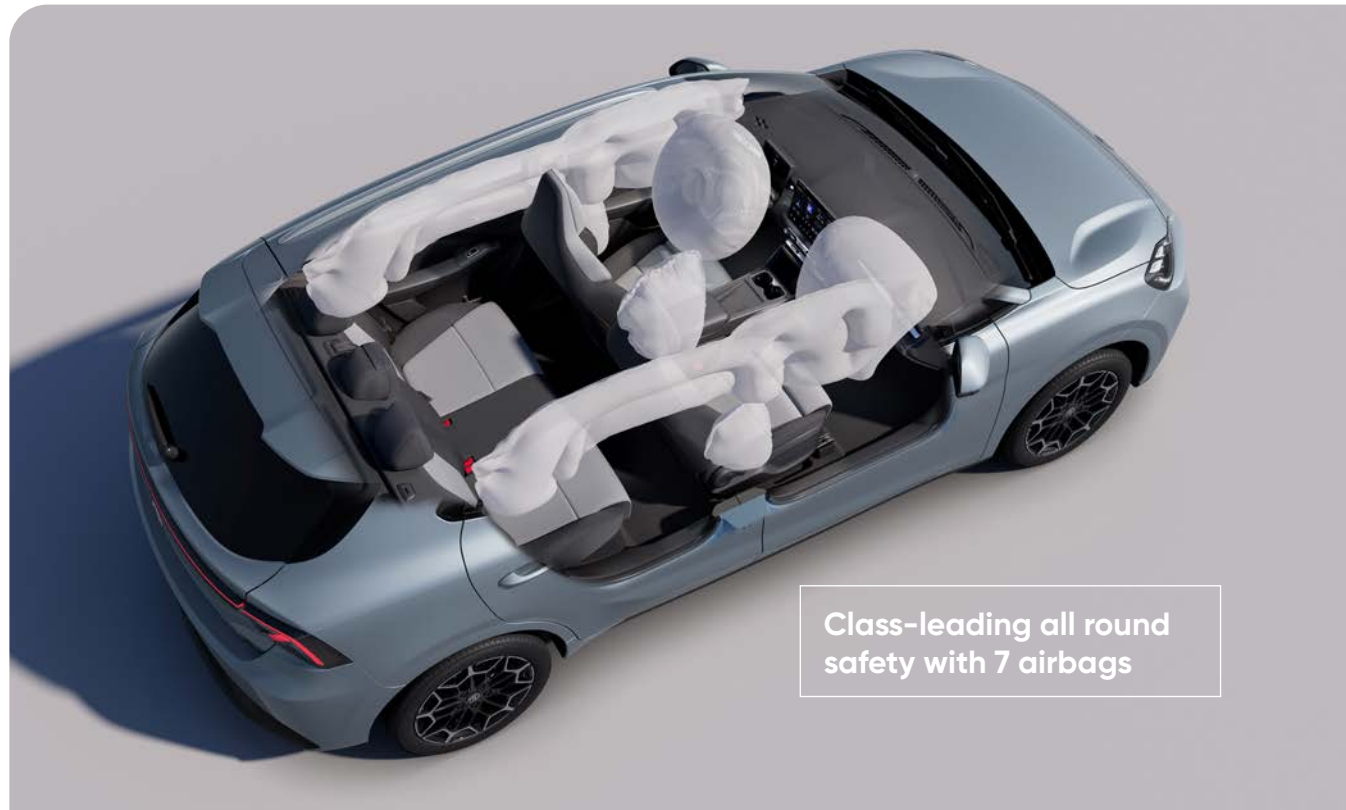

CONFIDENT JOURNEYS. REASSURING SAFETY.

At MG, your family's safety will always remain our highest priority, which is why we have equipped the MG4 Urban EV with a comprehensive suite of advanced technologies to provide a secure driving experience.

- Full suite of advanced MG Pilot intelligent driving system featuring Driver Fatigue Monitoring (DFM), Front Collision Assist (FCA) and many more to ensure a secure drive.
- 360-degree parking camera makes navigating narrow city streets and tight parking spaces feel completely effortless and safe.
- Travel with absolute peace of mind knowing the cabin is thoroughly protected by a full complement of 7 airbags, including front, side, curtain, and centre airbags.

Dedicated EV platform

Class-leading all round safety with 7 airbags
